Show.

She is a daughter  
of Gambler's Eagle,  
purchased in our  
1953 sale for \$2600  
by P. T. Franklin,  
Clio, Michigan.  
Gambler's Eagle  
was one of the first  
sons of Kirkton  
Gambler, Mr. Frank-  
lin is shown at the  
halter.

The land that comprises Clear Creek Farms has been condemned by the city of Kokomo for the purpose of providing a new city water supply. As a result, the famous Shorthorn herd owned by Mr. and Mrs. M. H. Woody must be sold in its entirety.

This herd has been maintained for 23 years, during which period its productions have been distributed to discriminating buyers in all parts of the United States and Canada. Great herd bulls have been used, a careful program of culling and replacement has been followed, and utmost care has been used to guard the health and well-being of the herd. The flesh condition of the cattle is very good, although the dispersion has been planned in a hurry and no special fitting has been possible.

This catalog points out, as well as can be done in words, the record of the herd and of Kirkton Gambler and the other great sires that have been used. The females are cataloged by families. It is most important to note that the many outstanding Clear Creek cattle of the past have not come from just one or two families, but every family in the herd has participated in the production of these famous cattle.

To be able to purchase the productions of such a herd is one thing, but to be able to purchase the tools that produced them, through this complete dispersion, affords an opportunity presented to breeders only on such rare occasions.

# SALE INFORMATION

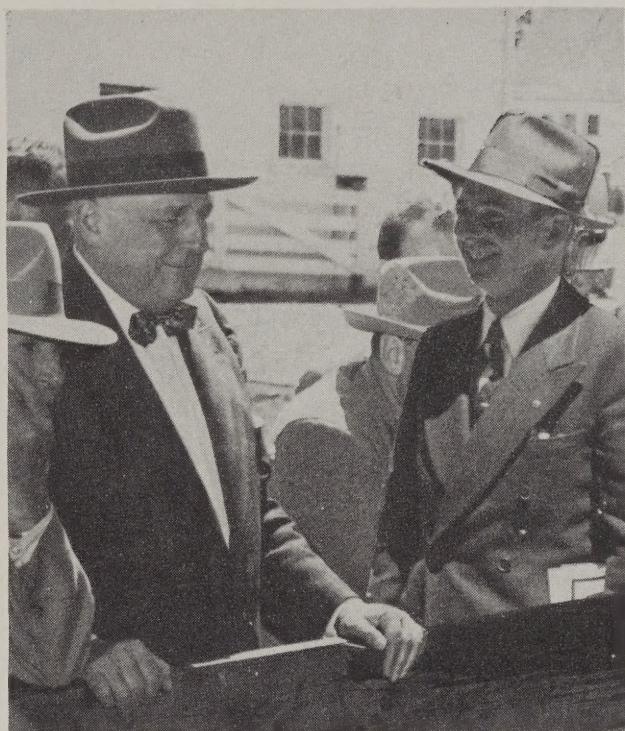

**TIME** — This sale will start promptly at 12 o'clock noon, Eastern Standard Time, Friday, February 1, 1957. (Please note that Indianapolis is on Eastern Standard Time)

**LOCATION** — Indiana State Fair Grounds, Indianapolis. Indianapolis is easily accessible by all forms of transportation. Six airlines come into Indianapolis.

**SALE HEADQUARTERS** — Hotel Lincoln, Indianapolis.

## **INSPECTION OF CATTLE** —

You are cordially invited to inspect the cattle prior to the sale. The herd is located at Greentown, Indiana. After January 25, the herd will be at the Indiana State Fair Grounds.

*Marion Woody, left, owner of Clear Creek Farms, and Harold Woody, who has so capably managed the herd. We regret that the developments with regard to the land, make necessary the dispersion of the herd and the departure of two such popular men from the Shorthorn business.*

**SALE MANAGER** — Hal Longley, 16 So. Locust Street, Aurora, Illinois. Further information may be secured from him or the owners. We will be glad to answer any questions or supply our frank comments with regard to any of the individuals in the sale.

**AUCTIONEERS** — Paul Good, Van Wert, Ohio; Don Smock, Indianapolis, Indiana.

**MAIL BIDS** — May be sent to the sale manager, the auctioneers, or any of the following representatives: H. W. Walker, Eastern Fieldman, The Shorthorn World, 904 E. 38th Street, Indianapolis, Indiana; Allan C. Atlason, American Shorthorn Breeders' Association, Union Stock Yards, Chicago, Illinois; Ed Huff, Eastern Fieldman, American Shorthorn Breeders' Association, Culpepper, Virginia; Harold Schroeder, Eastern Representative, The Corn Belt Dailies, 836 Exchange Avenue, Chicago 9, Illinois; or to Vaughn Lipp, Indiana Farmers' Guide, Huntington, Indiana.

## TERMS . . CONDITIONS . . GUARANTEE

**GUARANTEE** – The Clear Creek herd is backed by an enviable reputation through good management and honest business practices over a 23 year period. The herd records are in excellent shape. Nearly every cow in the herd either has a calf at foot or is heavy with calf. Any known faults will be announced from the auction block. Because the farm has been sold and must be abandoned by March 1, no guarantee is possible. Careful culling has been the practice and known shy breeders always have been quickly removed. Twenty-seven of the cows have calves at foot, twenty-four more are obviously heavy with calf. The few with late breeding dates will be examined for pregnancy 15 days ahead of the sale, and the veterinarian's findings will be made known on sale day.

**HEALTH** – Entire herd has been tested in advance of printing this catalog, and will be tested again within 30 days of the date of the sale, under the supervision of the Indiana State Veterinarian. Individual health charts will be presented to buyers for each lot purchased.

**TRUCKS** – Trucks will be available. We will be glad to assist buyers in making shipping arrangements.

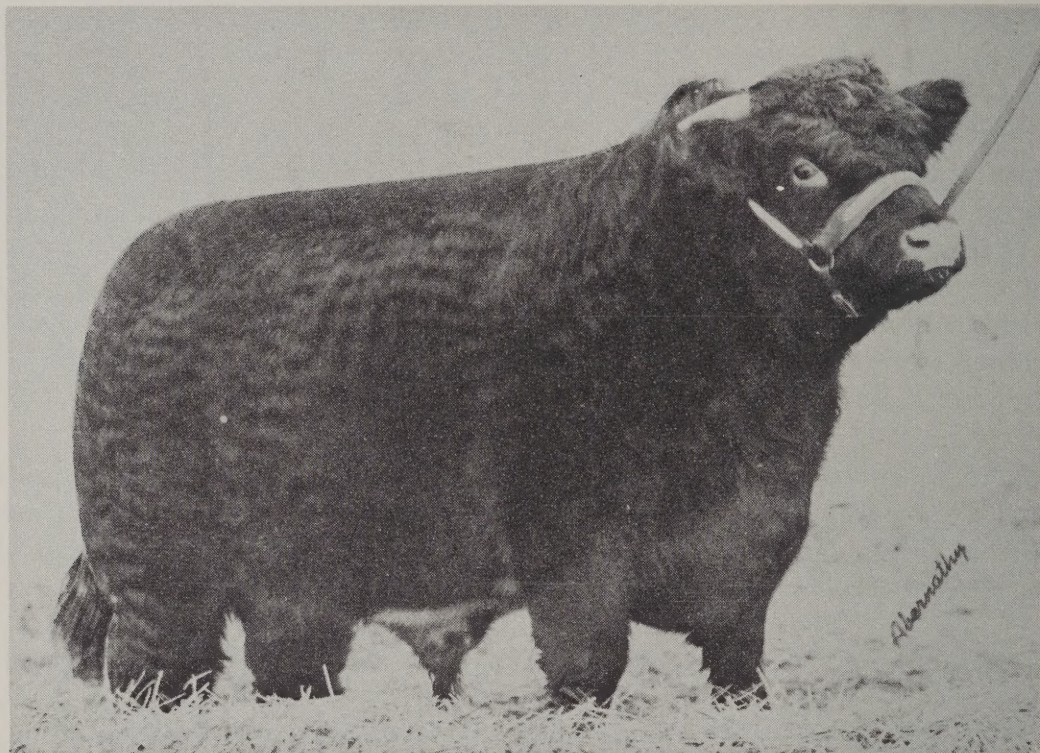

**TERMS** – The terms of the sale are cash. Settlement to be made with the clerk immediately following the auction. Each animal will become the property and risk of the new owner as soon as bid off, but will not be delivered until settlement has been made. Certificates of registry with transfers properly entered and recorded in the buyer's name will be delivered with each lot sold. Properly signed applications will be furnished for all calves at foot or in dam. Announcements from the auction block take precedence over printed matter in the sale catalog.

**LIABILITY** – The terms and conditions shall constitute a contract between the buyer of each lot and the owners of the Clear Creek herd. The owners will make every effort to provide for the safety and comfort of those attending, but all attending must assume the risk of injury to themselves. Accidents at cattle sales are rare. Neither the sale manager, auctioneers, or clerks assume any liability, legal or otherwise. The sale manager was hired by the owners for specific tasks, promotional and clerical, and has no connection with the condition of the premises or the handling of the cattle. The sale manager assumes no liability for correctness of health papers, delivering of pedigrees or calthood applications.

THE GAMBLERS . . . IMPROVERS WHEREVER THEY GO

---

CLEAR CREEK GAMBLER – His dam is lot 40 in this dispersion.

Clear Creek Gambler was the top selling bull of the 1952 International Sale. One of our first calves by Kirkton Gambler, he was purchased for \$6000 by D. L. Coffee, Lindsay, Oklahoma, and J. A. Collier & Son, Hallwood Farms, Fletcher, Oklahoma.

The success of this bull in these two fine herds is well known. A son, Hallwood Seven Eleven, was the reserve grand champion of the 1955 National Shorthorn Show at Des Moines, and has been a prominent winner on many other occasions.

A group of Hallwood bulls by Clear Creek Gambler are pictured on the opposite page. The get of Clear Creek Leader will achieve further prominence through their production sale at Fletcher, Oklahoma, January 24.

So pleased were Messrs. Coffee and Collier with the get of Clear Creek Gambler that, upon learning of this dispersion, they requested the opportunity to buy the eight-year-old Kirkton Gambler immediately, so he would be available for service prior to their sale. We felt it only right to oblige such good customers.

CLEAR CREEK ROYAL LEADER. First prize senior bull calf, 1953 International. Sold in the 1953 International Sale for \$3300 to John Shuman, Colomeadow Farm, Deer Trail, Colorado. His dam sells as lot 39 in this dispersion.

Right —

Colomeadow Choice. One of the first calves by Clear Creek Royal Leader. He was the second prize junior bull calf at the 1956 National Western Livestock Show in Denver.

FROM THE NOVEMBER 1, 1956 ISSUE OF THE SHORTHORN WORLD REPORT OF THE SHUMAN SALE.

"Drawing a great deal of attraction were 21 heifer calves, nearly all by Clear Creek Royal Leader, ranging in age from six to nine months. They were sold right off their mothers. Vaughn Moore, Lenox, Iowa, took 11 of these at a \$252 average."

**KIRKTON GAMBLER** — Few bulls have achieved a record as a sire comparable to Kirkton Gambler. His first five calves were placed on the market in late 1952. All were sold at public auction where they competed with sons and daughters of other leading sires. The fact they were purchased by discriminating buyers at an average of \$4340, a record for the first five calves by any sire, provides positive proof that he is one of the greatest sires in the history of the breed. Since that time many other outstanding show and sale tops by Kirkton Gambler have come into the limelight. The record of the success of Kirkton Gambler's get is long and continuous. Adding further evidence are the many successes being achieved by those who have purchased sons of Kirkton Gambler. Notable among these is Gambler's Elect, purchased by P. T. Franklin, Olio, Michigan, for \$2600 in our 1953 sale. This bull sired the reserve grand champion female of the 1955 International. Another well known son is Clear Creek Gambler, purchased by J. A. Collier & Son, Fletcher Okla., and D. L. Coffee, Lindsay, Okla., for \$6000 in the 1952 International sale. These gentlemen were so pleased with the get of their Gambler bull that they made an attractive offer for the eight-year-old Kirkton Gambler at the 1956 International. They needed him to settle females for their spring sale, so we agreed to sell him. However, nine sons, fourteen heifers, and fifteen calves at foot by Kirkton Gambler will be sold in this complete dispersion.

**REALIZATION** - The great 5-year-old proven sire that will sell in this dispersion. Those who have attended shows during the past two years are well aware that his calves are of the type and quality that judges like. In the junior get-of-sire class at the Indiana State Fair this year his calves placed third. It would be difficult to improve on his breeding. He is an imported-in-dam son of Kirkton Great Expectation by the noted Kirkton Baronet. His dam has produced five grand calves in the six years we have owned her. She will sell in this sale as Lot 24. Realization is active and sure. This sale will include 16 of his calves that sell as separate lots, approximately 15 more calves that sell with their dams and a large number of cows are heavy in calf to him. There is plenty of evidence that he is a sure breeder. He will be offered in normal flesh condition and will be a great buy for someone.

# IMPORTED FEMALES?

## YES

In 1953, Marion Woody journeyed to Scotland to select imported females for the Clear Creek herd. He was extremely fortunate in being able to purchase the ones he wanted. Not only do these comprise one of the best packages of imported females in North America, but they have the pedigrees that are in greatest demand by those who know Scottish cattle best. These cattle came from the dispersion of the great A. J. Marshall herd, from Saltoun, Scotston, Uppermill, Crichton, Drynie, and Millhills.

We call the group in this catalog from lots 15 through 32 the "imported group," because these are the imported cows and their imported-in-dam daughters. There are many other lots sired by imported bulls and out of imported cows ... the vast majority of the offering.

The influence of the 1953 importation was just beginning to be felt in the herd. Had the herd continued, these cattle would have carried Clear Creek to even greater heights. If it were not for this dispersion, these imported females or their daughters would never leave Clear Creek.

The imported females, plus the grand group of Clear Creek matrons that have produced so many former prominent winners and sale tops, make this one of the strongest herds ever dispersed.

AUGUSTA PRIDE 2d -- This daughter of Robinwood Bombardier has produced three very choice heifers for us. Her daughter, also selling in this sale, was the reserve senior champion female at the Ohio State Fair in 1955. This cow sells with a red heifer calf at foot born September 2 and sired by Realization.

Have you noticed how every family in this herd has contributed to the array of Clear Creek winners and sale toppers in the past several years. For a quarter of a century this herd has been closely culled. There are no mediocre producing families. Only in a dispersal of a great herd are such buying opportunities presented.

One of them was the red Rothes Graduate that was champion at an Indiana State Sale. Another bull out of her won high honors as a junior calf at 1954 shows. This cow is in calf since June 19 to Realization.

ROTHES GRADUATE. Champion bull 1952 Indiana State Show and Sale. A son of Roth's Chieftain. Sold for \$670 to Sherman Kessler, New Ross, Indiana. A member of the prolific Gipsy Bride family at Clear Creek.

Every family in this herd has contributed to the success of Clear Creek Shorthorns.

CLEAR CREEK ROSEWOOD -- Among her six calves was the great bull Gambler's Eagle that was purchased for \$2600 in our 1953 sale by P. T. Franklin, Clio, Michigan. All readers of this catalog will recall that Gambler's Eagle sired the sensational heifer Gambler's Goldie that won the junior and reserve grand championship at the 1955 International. Her February, 1956, bull calf is a good one and sells as a separate lot. She was rebred September 8 to Kirkton Gambler.
